

Application No. 10/813,481  
Amendment dated April 15, 2005  
Reply to Office Action of December 15, 2004

**REMARKS**

In the above-noted Office Action, claims 1-18 were rejected under the judicially created doctrine of obviousness-type double patenting given claims 1-14 of U.S. Patent No. 6,832,076. There were no other objections to or rejections of the claims.

The applicant hereby respectfully submits a terminal disclaimer disclaiming any term of any patent issuing from the present application beyond the term of U.S. Patent No. 6,832,076. The applicant therefore respectfully submits that the rejection has been traversed and allowance of claims 1-18 is hereby respectfully requested.

Respectfully submitted,

By: Kenneth H. Samples
